INDEX PERFORMANCE DISCLOSURE: Performance prior to index inception date has been calculated pursuant to a back tested methodology. Back tested performance is hypothetical and is provided for informational purposes only to indicate what historical performance might have been had the index been available over the relevant time period. Investors have requested this information from the index provider as a means to follow the index's historical hypothetical performance returns. Index returns reflect the reinvestment of income dividends and capital gains, if any, but do not reflect fees, brokerage commissions or other expenses of investing. Investors may not make direct investments into any index. Past performance is not indicative of future results.
